

# HUERTO DE LA FAMILIA

THE FAMILY GARDEN

# Mission

Our mission is to offer Latino immigrant families a place to connect to their roots and the earth by growing their own organic food, as well as education in organic gardening, small-scale farming and small business creation.

# How it all began

Seven families who turned their  
passion into action

# Our Services

- Garden plots at five locations in Eugene and two in Springfield
- Communal tools, fertilizer, seeds, starts, and other supplies
- Organic garden education and food preservation classes
- 12-wk Cambios Business Class
- Farm Business Incubator

# Program Benefits

Access to fresh produce and culturally relevant food  
Cultural preservation \* Building community  
Stress reduction and mental/emotional wellness

# 10 Stars Farm

# Potential Questions You Might Have When Starting a Garden

- How do we access land and who are our partners?
- How much land is necessary? How big are the plots?
- Why individual plots versus communal farming?
- Can the gardens be volunteer run?

# Other questions?

# We love new friends!
